NEW MODELS OF WinS ENGAGEMENT

Handwashing Facility Designs
during the Pandemic

> Co-moderated with UNICEF's West and Central Africa regional office, this webinar will showcase several handwashing facility designs promoted and implemented in schools globally by various organizations (government, non-governmental, private sector) during the pandemic. Featured presentations will be HappyTap, WASHaLOT and SATO/LIXIL. Beyond the technological innovations and designs, experiences will be shared on their successes, challenges, and sustainability. The session will also discuss the longer-term role of social enterprises and the private sector in WinS.

INTENDED AUDIENCES: General WinS stakeholders, NGOs, social enterprises, private sector, especially those from engineering, bureau of standards and facilities departments of Ministries of Education.
