

VIRTUAL 9TH WASH IN SCHOOLS INTERNATIONAL LEARNING EXCHANGE

31 AUGUST – 21 SEPTEMBER 2022

OFFICIAL OPENING: 31 August 2022, 12:00 (GMT +7)

CULMINATING EVENT: 21 September 2022, 12:00 (GMT +7)

SAVE THE DATE

The main purpose of the WinS ILE 2022 is to bring together Ministry officials and technical experts working on WASH in Schools to exchange practices, information and materials. A particular focus will be on the current state of WASH in Schools in South-Asia, Southeast-Asia and the Pacific and what still needs to be done until 2030 to achieve the SDG targets for WASH in Schools under SDGs 4 and 6.

THE 9TH WinS ILE WILL PUT A PARTICULAR THEMATIC FOCUS ON THE FOLLOWING 5 TOPICS:

- > Moving forward: Lessons from WinS as a COVID Response for Safe School Reopening
- > Climate resilient WinS
- > Sustainable financing for WinS
- > Digital transformation and the implications for WinS
- > Capacity building for WinS

THE 9TH WinS ILE IS CO-ORGANIZED BY UNICEF, GIZ, WaterAid and Save the Children

THE 9TH WinS ILE SEEKS TO INVITE, in particular, members of national WASH in Schools Technical Working Groups in the Asia-Pacific region, specifically officials from the Ministries of Education, Health and WASH and the development partners supporting the implementation and management of WASH in Schools policies and programs. Country delegations will be expected to present and discuss their situation with other countries in various technical sessions. The organizing team will be reaching out to country delegations for specific technical inputs in the form of presentations or panel members over the coming weeks. There will be technical sessions in the form of webinars, country-level Technical Working Group Meetings and other ways to exchange and engage.

The event agenda and formal invitation from the organizers will be sent by end of July 2022. The WASH in Schools Network Website will serve as the central point for further information, the event agenda and links to the individual sessions.
